DeltaHacks **V**

Congratulations! You made it to Deltahacks V! We are more than happy to welcome you to McMaster's hackathon. We are trying our best to make this event more successful every year. To give you an amazing experience hacking with us, we hope this information package finds you well. Please feel free to contact us if you have any questions.

Get ready for 24 hours of hacking! We promise they will be nothing but thrill!

Registration

· At the beginning of the event, you will need to register at our front desk in order to get your Deltahacks V badge. The registration desk can be found right at the front entrance of H.G. Thode Library of Science and Engineering.

· Registration will be from 9:00 AM to 11:00 AM on Saturday, January 26th.

· You'll need to bring your student ID or government ID, and show us the QR code that you received before Deltahacks (if you haven't received this QR Code please reach out to us at relations@deltahacks.com).

· Collect your swag and then head to the Opening Ceremony happening at 11 AM in the John Hodgins Engineering. building, room 376.

· If you know you're going to be late for registration, contact us at relations@deltahacks.com.

· If you don't give us notice before January 26th we will not be able to guarantee you a spot.
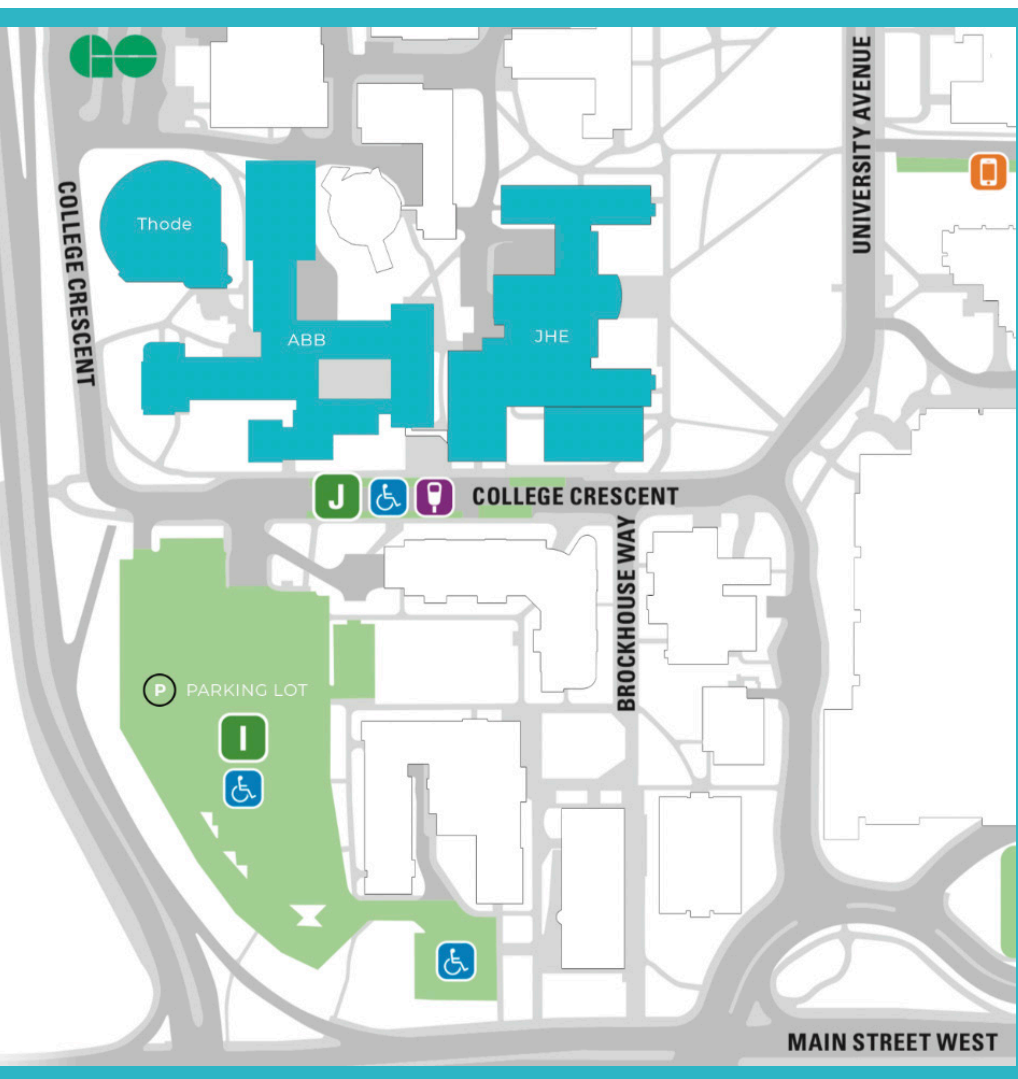

Bus

There will be one round trip bus from each of the following locations: Toronto, Waterloo, and London. Sign-up for a seat on the bus here: **deltahacks.com/bus.** Tickets are refundable if you arrive to claim the seat you reserved.
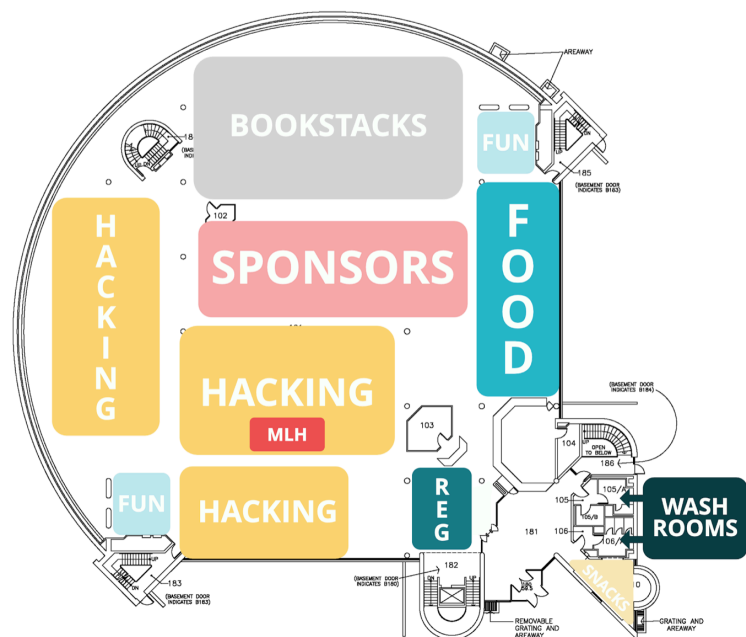

Schedule

For the most up to date schedule, go to **deltahacks.com/schedule**. For info on all the activities, go to **deltahacks.com/live.**

Sleeping Areas

We have a designated sleeping area in A.N. Bourns Science Building (ABB) Room 163 (female) and Room 164 (co-ed) for Hackers who need to take a rest. We ask that hackers not sleep in other areas to comply with safety regulations, please don't sleep anywhere except a designated sleeping room.

For those who plan to sleep on Saturday night, please gather around ABB 163/164 at 2:15 PM Saturday for Fire Drill Training. SECRET STICKER WILL BE PROVIDED.

Restricted Areas

· Restricted areas will be marked off with yellow caution tape. Hackers are not allowed to enter or work in restricted areas.

· Breakfast, lunch and dinner will be provided on the first floor of Thode. Attendees are asked to remain in the designated area while completing their meals. If you have any dietary restrictions, please inform one of the volunteers immediately.

· Third floor Thode is also off limits but the other 2 floors and the basement are available for hackers to use.

Fire Drill

There will be a Fire Drill at 2:30 PM in ABB. We ask that all hackers promptly leave the building and follow our Fire Wardens (who will be wearing orange safety vests) to the nearest emergency exit and wait until the fire department has cleared the building for further activities. If you plan to stay the night, please attend the fire drill as it is essential for your safety.

Entrances and Exits

All entrances will be locked apart from the main entrance of Thode. Attendees will be signed out as they exit a building and signed in when returning. Entrances will be marked by arrows.

What You Should Know

Check-in/out the Building

· When you register on Friday morning, you will get a badge with a QR code sent to you before the event

· Make sure you have this badge on you at all times.

· Whenever you enter/exit a building, the QR code will be scanned by a volunteer/organizer.

· Meals will also be distributed after scanning that QR code on your badge.

Snacks

The Snack Room is marked on the map. Feel free to take some snacks whenever you want! Snacks, coffee and other drinks will be provided at the meal service area. All snacks and drinks will be regularly refilled.

Meal Process Area

· All meals and snacks will be served in the food area next to the Reactor Cafe. If you have any dietary restrictions or allergies, please inform the volunteers at the food tables and they will direct you to the alternative meals section.

· Please keep in mind that the meal area is dedicated to eating, it is off limits for hacking.
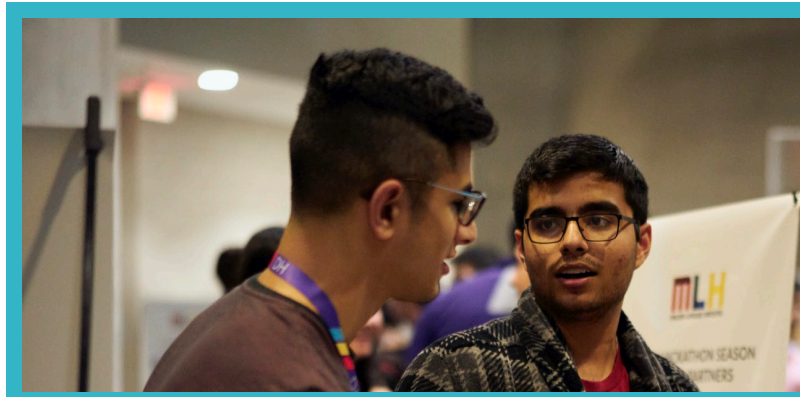

All the workshops will be hosted in either Thode Makerspace or ABB B118 (check our live website for workshop timings and location).

Contact

McMaster Emergency Services

· By external phone: 905-525-9140 ext 24281, or 905-522-4135
· Any University phone: 88

Information Table

· Our team will be at the information table located at the entrance of Thode at all times to assist you.

· The lost and found can be found at the information table.

· Come visit us if you have any questions!

Attendee Slack channel and making groups

· Join our DeltaHacks V Slack: deltahacks5.slack.com

· You can use Slack to connect with your fellow hackers, form teams, get in touch with mentors, and get updates from our organizing team!

· There will be channels for:
        · Announcements
        · Team Formation
        · Mentorship
        · Questions
